

## VIA VERDE IDENTIFIER

Rent a car and use the **Blue Smile** e-Toll Service.

Nevertheless, the **Blue Smile** e-Toll Service provides you with a Via Verde Identifier to be able to travel smoothly in the Portuguese highways with tolls.

This Via Verde Identifier allows you to travel on the ex-Scuts (i.e.: A29, A25, A22, A28, etc.) through the electronic portico without any concern.

The Via Verde Identifier avoids concerns and responsibilities with subsequent payments (during and after your travels).

The option Via Verde Identifier / e-Toll Service allows the recognition of the passages made in the tolls on national territory and is subject to a deposit of €73.80 + taxes. In case of theft or robbery, loss or damages.

The use of this service requires Credit Card.

The daily value is €1.55 + taxes = €1.91/day and the maximum amount to pay per rental by the Via Verde Identifier is €19.10 (taxes included).

Learn more about the **Blue Smile** e-Toll Service in **Question and Answers**.
